**FROM THE BUILDING COMMITTEE**

In an effort to keep our newly remodeled sanctuary stain free, the Building Committee is asking that no food or drinks other than water be brought into the sanctuary.

The Building Committee will be working on the storage issues here at the Church in the near future. Therefore, we are asking everyone who has items stored here to move out items that are no longer needed, and to label other items that need to stay stored at the Church. A trash container/dumpster will be available on site for your use. Please do not presume we will know what items need to stay stored.

Consequently, please move out or label any remaining items by Wednesday, February 16, 2025. Items left that are not labeled, will be thrown out or donated. Thanking you all in advance for your cooperation with this endeavor.

*The Building Committee Co-chairs,  
Norma Dunagan and Marty Rollins.*
